

### Chapter 3

Saturday came. Persephone scolded Hildy for walking around the house with nothing on. The teenager had no idea how she looked naked. She had aged another year. Although gestated in an actual womb, the girl had taken a similar growth spurt as the boys.

Persephone woke Roland up. She told him she had to go home to her family. He smiled and thanked her. She went to the living room and kissed Hildy and left the house. She got in the car and drove away.

He looked around and got undressed. Hildy came upstairs and stared at Roland's naked body.

"Want to take a shower?" he asked.

She stared at his large penis and held his hand as they walked into the shower. The water felt warm. He lathered her up and washed the soap off her. She took the soap bar and lathered him up. She giggled as she washed his penis. It grew stiff in her hands. She looked at Roland and kissed him on his lips.

He turned the water off. And dried her off. They looked at each other. She stared at his erect cock. She put her hands on it and pulled at it. Hildy had a massive clit. Almost the size of a walnut. Roland fingered it. She closed her eyes.

"Kiss me, Roland," she demanded.

He kissed her. She stuck her finger in her mouth and wet it. Then she put it in her asshole to stretch it out. She whispered in his ear, "soap up your dick and fuck me in my ass. Please."

He grabbed his cock and lathered up his dick and bent her over. She had already worked three fingers into her rectum to prepare for his massive cock. He worked his head into her rectum. She screamed.

"Your head is so fucking big", she yelled.

He grabbed her wet hair and pulled it back. “Shut up!”

He put four inches of his massive shaft into her rectum. She screamed.

“You’re hurting me!”

He took his right hand and reached down to her clit and squeezed it so hard. She screamed.

“Daddy!”

While she tried to pull herself off of his cock, he pushed more into her. He slid seven inches of his massive hairy dick into her.

“Daddy!” she yelled.

He let go off her clit hood and both his hands were massaging her breasts and brutally squeezing her erect nipples. He started rotating his hips into her ass. She started matching his motions. Thrusting into him as he pulled back.

“Daddy!” she yelled looking back into his blue eyes. “Oh, Daddy. Please Daddy. Daddy, please fuck me. Fuck me with that massive dick!”

He pulled out his cock and pushed her down to his cock and sprayed her face with his thick jism. She opened her mouth to taste his secret white sauce. Her tongue flicked his head up and down as his cum pulsated into her mouth.

She took his cock into her mouth. First, three inches. Then, another inch. She opened her mouth and pulled Roland’s ass to her face. She took another four inches of his fat cock into her mouth. As he moaned, she stuck a finger into his asshole, gently poking his rectum.

She tongued his cock as his dick got soft. She swallowed his cum and gently licked his balls and asshole clean. He turned the shower off. She looked at him. She turned around so she could gape her asshole. She put two fingers into her asshole.

“Take my cherry, Daddy. Make me into a woman today,” she whispered.

His dick just sprang up for action. It was rigid and hard. He grabbed her ass and thrust hard into her welcoming vagina.

She screamed. Loud. Pulled at him. Started pinching his hands as the pain was too much to bear.

She collapsed onto the floor of the bathroom. Roland picked her up by the hip and spread her pussy lips with his dick and thrust into her quim. He kept thrusting into her.

He took his right hand off her hip and put a finger into her asshole to calm her. Then he put another finger into her. Then he started violently thrusting into her pussy.

She stopped crying. And started thrusting back into his dick. She could feel his balls bouncing off her labia and clitty. She reached between her legs and started rubbing her large engorged clit.

She turned her head and watched as he thrust deep into her pussy. “Is that all you got?” she asked.

He grabbed her hair and pulled her head back.

“You fuck like a faggot!” she yelled.

He thrust deep into her pussy and pulled out. She spread her butt cheeks. Then she put two fingers into her asshole and opened it.

“Cum into my asshole faggot!” she yelled.

“Faggot?” he questioned.

He thrust his fat white cock, all ten inches into her asshole.

She felt him instinctively thrust into her asshole as he came. She felt the full weight of his thrusts.

“Daddy, come inside me. Come inside me deep,” she yelled.

Roland got off her wet body. Hildy came over and licked his cock, balls and asshole clean. The she made him lie down. She sat on his face and shit his sperm into her hand. She closed her eyes and took his sperm into her mouth and swallowed it.

She bent forward and sucked on his cock. He stared at her wet pussy and her cum coated asshole.

“You have such a nice cock,” she stated. She turned around and tongued him.

“I am sorry. I still have cum on my face”, she said.

“You are wonderful, Hildy. Such a great lover,” he replied.

She turned around and sat on him. Then she spread her legs and rubbed his flaccid cock into her wet pussy.

“Make me cum again, Daddy. Cum in my pussy,” she whispered.
